✓ **Spanish Host Family** **Single room**

If you choose accommodation with a Spanish host family, we will request one in which previous students of ours have been happy and we can therefore be confident that you will be welcomed and well treated.

This type of accommodation enables the students to live insight into Spanish life.

Advantages of this: the benefit from the extra Spanish practice and social contact with the family and friends is 'the big plus' of home stay. You will be surrounded 'by Spanish 24 hours a day'. Also the students are fully integrated into the family.

The friendly relationship is a basis for practical and natural use of Spanish. Students are able to choose between a double or a single room, and half or full board.

Students will receive their own house key, they just have to bring their own towels. Please indicate on the registration form, if you need special nutrition or have an allergy, ...
